Mr. Gary Purser, President
Southwest General Contractors
811 West 8th Street
Amarillo, TX 79101

Dear Mr. Purser,

I am writing you to let you know how pleased we are with the job Southwest General Contractors has done with the construction of Wheeler County Law Enforcement Center.

Southwest General Contractors has responded immediately to any and all requests we have made. It has been a pleasure working with Mark White and Jesse Walton. Not only do they have the highest expectations of quality and accuracy, they continue to respond in a timely manner.

Our recent inspection from Texas Jail Standards Commission was a success. We passed without a hitch and it was a result of your team's tremendous efforts. We would happily recommend Southwest General Contractors for any future opportunities.

Thanks again for your hard work and we wish you success in your future.

Sincerely,
