Southwest General Contractors  
811 West 8<sup>th</sup>  
Amarillo, TX 79101

To Whom It May Concern:

It is with a great deal of pleasure I write this letter of recommendation for Southwest General Contractors of Amarillo. Southwest recently completed a major building expansion and renovation project for our corporation and we are very pleased with the new facility.

Every member of the Southwest team was professional and more than willing to accommodate all of our needs and requests. The President of the company and the project manager for the job were always accessible and willing to help in any way. The on site superintendent was outstanding to work with. Each one of these men were extremely knowledgeable and worked hard to ensure the final product was what we wanted and was something we would be proud of for many years to come.

I would recommend Southwest General Contractors to any one considering a building project in the future.

Sincerely,

A handwritten signature in dark ink, reading "Rita A. Craddock". The signature is written in a fluid, cursive style.
