Dear Gary:

We wanted to take a moment to express our gratitude for the amazing job you and your employees completed in our facility. Our men's locker room renovation has transformed a large area of the Club and your ability to complete it in less than 7 days and under budget is astounding.

Our communication with the project manager was second-to-none and we will be looking to Southwest General Contractors first for any of our future renovations. The level of professionalism that was displayed in every aspect of the project – cleanliness, timeliness, preparation, and attention to detail – was truly a blessing.

We would gladly recommend your business for any renovation projects.

Sincerely,
