Dear Mr. Purser:

As director of Azteca Economic Development Corporation and on behalf of Azteca's board members, we would like to extend you a sincere thank you for your professionalism in the construction of phase II of Azteca Apartments.

Your work efforts, completing construction ahead of schedule, as well as your attention to detail made my job of overseeing the project for the board much easier.

Azteca appreciates the invaluable attention that this project got from you as well as Steve and Mark. I am sure that there are others behind the scenes that also contribute to make things happen. I wish you continued success in the future. If Azteca EDC develops additional units we would insist that Southwest General Contractors be on the top of our list for bid considerations. Thank you!

Sincerely,

Joe A. Franco
Director
